Bronze Medal at the 2024 Academy of Chocolate Awards

We are excited to share some wonderful news with you! Our chocoMe Raffinée - RF116 - crispy coconut disc enrobed in delicious Valrhona dark chocolate and raspberry couverture, has just won a Bronze Medal at the 2024 Academy of Chocolate Awards in the Panned & Enrobed Products category!

We had high hopes for this creation, and this recognition confirms what we've believed all along – it's truly something special. Over the past months, we've received great personal feedback at several B2B and B2C events, from Salon du Chocolat, Budapest Sweet Days to Christmas markets across Europe and Canada. This success will undoubtedly help all of us sell this product with even greater confidence.

To add to the excitement, our newly award-winning Raffinée FR116 will soon be available in Heinemann stores, ensuring big exposure and the opportunity to reach a wider audience of chocolate lovers and the airports and all over the world.

Thank you for being part of our journey – let's celebrate this sweet success together!

Cheers,

chocoMe Team
